

SumoCoco

Your Guide to a Fresher Day!

- Improved version of carbon packs.

- Multi-purpose usage for cars, cupboards, shoes and refrigerators.

SumoCoco™ is the latest improved version of carbon pack consisting of well blended superior quality materials (Supreme Activated Carbon and Sodium Permanganate). It performs superbly up to **4 times** in terms of effectiveness:

- √ To get rid of odour and unpleasant smell
- √ To absorb moisture
- √ To remove toxic gases
